Unfinished Business	The 2018 Regional Award Winners were announced for members unable to attend the award ceremony.	
New Business	The 2019 EMS Strong 5K race was discussed. The committee agreed that it is a good event that is well received and continues to grow each year. For the upcoming race, we want to set a date early on so we can begin advertising earlier for maximum attendance. The date will be set in late April/early May. Maggie informed the committee that the Council trained 10 people as Stop the Bleed Instructors. The council also assisted with a Stop the Bleed class for staff at TN high school. The Council is going to start offering classes to Virginia schools. The 2018 EMS Symposium was discussed. Bill Akers and Kandice Woods will be attending. The EMS picnic was recapped. Everyone agreed we had a great location that was well received by everyone and many new faces were present. Next year, we want to look at other catering options.
