	<p>trauma. There was open discussion and opinions about ways to possibly improve outcomes. It should be pointed out that no negativity was expressed and all information was for future education purposes. As a result of discussion, the EMS Council has decided to emphasize chest decompression skills and lung sound classes in Council based CEU programs. Additionally, there was a question by Dianna Mock concerning proper information transfer between EMS and Hospital personnel. Discussion followed with committee recommendations for possible improvement. The PI Plan was approved as presented.</p> <p><i>It should be officially noted in these minutes that <u>There has been no changes</u> to The Southwest Va. EMS Council's Trauma/Triage as of this meeting, nor has any change been made to the destination levels of the hospitals listed in the plan. Discussion on this topic is to plan for the future and possible or potential changes.</i></p>	<p>Gary Whiteaker Anita Perry Dianna Mock Katlyn Camper Bryan Kimberlin</p>
